

Did you know?

If you would like to have the words on our website read to you while you visit, the Microsoft Edge browser (recommended) has a built-in function that does this, if you have speakers, headphones, or earbuds.

Just follow these steps:

1. Open the Edge web browser
2. Click the ellipsis (3 dots) in the top right corner of the screen
3. A menu will open
4. Click on the words **Read Aloud**
5. Use the following controls that appear:

For more information on using the Read Aloud function, try searching You Tube for a short video. Use keywords such as “edge read aloud feature”.
